NARRATIVE

On 09/15/2018 at approximately 1704 hours, I responded to the Southwest Keys located at 12030 W. 113th Avenue, Youngtown, AZ 85363 in reference to an assault. Once on scene, I activated my Axon Taser body worn camera.

Once on scene, I was met by security in the front lobby. Security advised me of the following:

An employee by the name of Angelica Rodriguez (unknown DOB), advised them another employee, Michael Royce (unknown DOB) hit a child who lives at the location. The child was identified as [REDACTED] year old [REDACTED] (unknown DOB).

The Southwest Key Programs mission is Opening doors to opportunity so individuals can achieve their dreams. A national, nonprofit organization, Southwest Key is committed to keeping kids out of jails and prisons and home with their families, in their communities. We do this through three areas of programming: youth justice alternatives, immigrant children's shelters, and education. Southwest Key also seeks to create opportunities for families to become self-sufficient by offering programming in adult education, community building and workforce development. The inspiring kids and families we work with are seeking the American dream equality, education, and a healthier quality of

life. At Southwest Key, we simply open the doors to opportunity so they can achieve these dreams.

When security reviewed the footage, they noticed Michael push [REDACTED] in the back after [REDACTED] hit Michael in the groin with a ball. [REDACTED] did not fall to the ground and the push did not cause any injury.

I obtained a second video from the Southwest keys facility. In the second video, [REDACTED] and Michael can be seen in the office inside the conference room. Michael can be seen on camera bear hugging [REDACTED] from behind. As he is bearing hugging [REDACTED] Michael can be seen kicking the right leg of [REDACTED] and then carrying [REDACTED] out of the office. As Michael takes [REDACTED] out of the office, he carries him to the entry/exit door to the conference room. Michael then releases [REDACTED] where [REDACTED] can be seen hitting Michael. After [REDACTED] hits Michael, Michael can be seen hitting [REDACTED] with his right hand. You can not identify where Michael hits [REDACTED] [REDACTED] then can be seen spitting in the direction of Michael where Michael then leaves the room and [REDACTED] walks over to a locker in the conference room.

The incident occurred in the conference room inside the facility. The facility is a mandatory reporter and due to a staff member touching a resident, they requested a report.

Michael and Angelica were currently not working when I generated the report for security staff. The staff did not want me to make contact with Michael or Angelica but they did request a informational report be taken. The security staff stated the Southwest Keys administration staff did not want to press charges and the incident/disciplinary actions would be handled by the facilities director. Security staff also did not want me to make contact with [REDACTED] to obtain a statement regarding the incident. I inquired about Michael and Angelica's DOB's and current home addresses which security staff did not have access to.

See attached copy of the video footage for further information.
